city, recently purchased by him.

The automobile owners of Richfrom Richmond to Curle's Neck farm one of the best and picturesque in this vicinity and is negotiable at practically all times of the year.

Making Great Improvements.

In the rapid evolution which has marked the development of the automobile, says Mr. B. A. Blenner, from the crude affair of a comparatively few years ago into the present effficient and attractive machine, there are a few details of design and construction which have not undergone radical changes. Upholstery is one of these few details-at least as far as appearance is concerned. Improvements have been made in contour and efficiency of his engine. depth to secure greater comfort and Yo resiliency, but outward there is little cent

the new four and six-passenger this frame is built to withstand a Stearns-Knight touring cars which have been added this year to the extensive product of the E. I. Compilance with the 'Good law,' on this frame is built to withstand a br. Shock of 10,000 pounds."

Or pasted on the engine: tensive product of the F. B. Stearns company, Cleveland. Nothing of the kind has ever been seen before on any American car, and the new models are

attracting a good deal of attention.

Instead of the ordinary plain or tufted type, the upholstery of the new cars is of smooth, dull-finished leather, relieved by narrow bands and but- tion? toned placques of the same material. The arm-rests are round—like thise should materialize, there wouldn't be of the familiar leather arm-chairand are placed below the edge of the holstery projects above the top edges

\$3.50 Recipe Free For Weak Men

Send Name and Address Today-You Can Have it Free and be Strong and Virgorous

We have in our possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, un-natural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes-without any additional help or medicine-that we think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So we have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write us for it.

This prescription comes from a physiclas who has made a special study of med, and we are convinced it is the surest-acting constitution for the cure of deficient manhood and vigor failure

ever put together.
We think we owe it to our fellow man
to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures mey stop drugging himself with harm-ful patent medicines, secure what we believe is the quickest acting restoramedy ever devised, and so cure him-self at home quietly and quickly. Just drop us a line like this: Interstate Re-medy Co., 4687 Luck Building Devision

Colonel Ashley Horne.

lionaire farmer and merchant, who died Wednesday in his home in Clayton, took place in that town yes-terday afternoon, State officers and a number of members of the legislature ittending the obsequies.

In 1908 Colonel Horne was a candidate for the Democratic nomination for governor, receiving a substantial vote in the memorable convention in Charlotte, but being unsuccessful in his ambition. Later, yielding to the insistent demand of the people of his county, he ran for and was elected to the legislature, making a most able and effective representative.

Colonel Horne surrendered with Lee at Appomattox, and walked home. Passing through North Carohome. Passing through North Carolina he took two of General Sherman's horses and made his first crop after the war. He cut cordwood for many years for 50 cents daily until be became a man of affairs and died

After becoming a rich merchant he ton to points in North Carolina, and failing to get them, put on a string of wagons and hauled freight.
